

# JENNERS BARN

weddings & events

# Welcome

Jenners Barn offers a rural picturesque Cotswold stone barn for any style of wedding, party or function. Exclusively yours for the entire weekend to include the Barn with LED dance floor, a Bride's Room and fully stocked bar. Outside we offer our dramatic contemporary tipi-style marquee including tables and chairs, wood fired Asado barbecue, Oak Ceremony Arch, separate fire pit area, 5 acres of water meadow and totally private setting to create your perfect indoor/outdoor wedding or party.

# Outside

Jenners Barn is surrounded by acres of unspoilt grassland, within the heart of the Cotswolds close to Fairford, Lechlade and Cirencester, Gloucestershire. Within walking distance there are fun glamping camps with open fires and hot tubs which guests are welcome to book [www.greatfarm.co.uk](http://www.greatfarm.co.uk). The glamping camp closest to Jenners Barn is Robins Nest. Guests are also welcome to camp (small charge) using their own equipment or alternatively, you may like to hire in bell tents to create a festival style wedding village vibe.

Uniquely we offer our guests the flexibility to organise catering, decoration and entertainment, meaning that your wedding or party is entirely the individual experience you envisage it to be. Naturally, we are full of ideas and inspiration for your Cotswold barn wedding or party and would be only too happy to guide you to local suppliers should you decide.

# Discover

Our venue is family-owned and run, thus giving our guests the ability to plan their own unique party, free from the usual constraints and offered at a reasonable price point. We are happy to consider your individual ideas and give inspiration if required. The capacity of the Barn for seated dining is 60, or for a stand up indoor party in the Barn it is around 80. The marquee seats 120 for dining but you may like to invite additional guests for the evening. You are welcome to bring in your own band or DJ with our licence running until midnight. We have a brand new kitchen, which your caterer is permitted to use and the old calf nursery is now a Bride's Room, providing a little oasis of calm to retreat to, to change or touch up your make-up.

Jenners Barn, Whelford, Glos, GL7 4DY

We had our wedding at Jenners Barn in September and absolutely loved the venue. Deborah and all the staff were so friendly and helpful and we can't thank them all enough. The in-house catering with Dave was incredible and all our guests haven't stopped praising both the venue and the super food. This is a brilliant venue and we couldn't recommend it any higher.

Jess & Oli September 2025

We had our Wedding mid-week at Jenners Barn in July 2025. Deborah (organiser), Dave (Feed Me Cotswolds Caterer) and Chris (Barman) and their teams have been incredible all the way through from booking a year ago. A truly, exceptional, rustic but individual venue that allows you to put your own 'twist' on things and have the day that both my husband and I could only dream of - they more than delivered and all we've heard from our guests in the last week is what a truly enjoyable wedding it was - what more could we have hoped for! Visit on one of their Open Days ... you won't be disappointed! Zoe
